MICHELIN® X® MULTI ENERGY™ T2 TIRE

CONFIDENCE GUARANTEE

The Michelin X® Multi Energy™ T2 tire is a robust offer specifically designed to meet the needs of regional trailer applications. It provides 10% more mileage than its predecessor, the Michelin XTE⁽¹⁾ tire and the lowest rolling resistance among premium regional trailer tires.⁽²⁾

You can be confident that this regional trailer tire will perform.

We guarantee it.

See the difference for yourself. If you're not completely satisfied with the performance of Michelin X® Multi Energy™ T2 tire, we'll reimburse the difference in cost for your current premium regional trailer tire.

Disclaimers:

- (2) Calculated based on internal ISO28580 rolling resistance testing; Michelin X® Multi Energy™ T2 tire vs. Bridgestone R196A tire, Goodyear Endurance RST tire and Continental Hybrid HT3 tire; all 11R22.5 size tires
