MICHELIN CARGOXBIB HEAVY DUTY

1 LONGEVITY

Proven casing endurance

Solid rounded shoulders increases maneuverability and reduces scrub. Flat crown for long, even wear.

2 VERSATILITY

Even distribution of ground pressure to minimize rutting and soil damage

Good handling on and off-road. Excellent grip in difficult conditions.

3 STABILITY

Steel cown belts

Great stability. Excellent puncture resistance and optimized load distribution.

TIRE CHARACTERISTICS

ADDITIONAL INFORMATION

APPLICABLE VEHICLES

MICHELIN CARGOXBIB Heavy Duty tire is designed for agricultural trailers handling the heaviest loads. Its reinforced structure ensures exceptional durability and performance, while the innovative tread reduces soil compaction.
