MICHELIN

MICHELIN MACHXBIB

1 VERSATILITY

Robust performance

Proven casing design. A flat stable tread to spread very heavy loads evenly across the footprint.

2 TRACTION

4% fuel savings, 0.26 Gallon (US) / hr
Compared to the main market competitor (for a consumption on the road of 6.6 Gallon (US) / hr).¹

3 ENERGY EFFICIENCY

Ideal for road transport

High speed rated with large lugs for long service life and low-rolling resistance rubber mix for fuel efficiency. Efficient in the field to transfer the torque of highpowered tractors to the ground.
