MICHELIN BIBLOAD HARD SURFACE

1 VERSATILITY

Proven casing durability

Uses the same proven casing of the XMCL with added reinforcements in the shoulder area for protection.

2 COMFORT

Improved lateral traction and grip

Patented diamond lug pattern offers multiple biting edges for traction. Constant traction provided by two sections of lug that are always in contact with the surface.

3 LONGEVITY

Superior Ride Quality

Radial construction offers a comfortable ride in any condition.
